Optional installation of the blade bearing A-1540

Affected Propeller:
MTV-27-1-E-C-F-R(G)/CFRL240-55d installed on Mitsubishi MU-2B

Affected Publication:
Overhaul Manual E-680

Description:
The optional blade bearing A-1540 (Cronidex Material) can be installed into the MTV-27-1-E-C-F-R(G)/CFRL240-55d Propeller instead of the standard blade bearing A-233- to improve the long time wear.
